CULTURED MARBLE. THE *NATURAL* CHOICE FOR A BEAUTIFUL SHOWER.

Cultured marble is a man-made, cast marble product that realistically mirrors the rich colors, veining and depth of detail of natural stone, but at a fraction of the cost. By skillfully integrating the latest technology in blending polymer resins with natural minerals, cultured marble from Wolf Home Products is a beautiful, durable product that offers exceptional flexibility in designing a shower that's perfect for you.

Advantages of cultured marble vs. tile shower

- **Carefree and durable** — seamless, grout-free finish with a non-porous surface resists stains and mildew and never needs sealing
- **Design flexibility and customization** — cast-in-mold fabrication allows custom, one-piece shapes for shower walls, bases, and accessories
- **Wolf Home Products limited lifetime warranty** — our craftsmanship and quality fabrication process offer you peace of mind

YOUR SHOWER. YOUR STYLE.

Wolf showers make your bath — new, refreshed or remodeled — a luxurious getaway. By selecting the wall panels and base in the color and size of your choice, you can piece together a beautiful shower that reflects your personal style. In addition to standard configurations, all panels and bases can be customized for length, depth and shape. You design it...we build it.

Ready to get started in choosing your shower design and options? Begin with the base configuration and “shop” from there.

SHOWER BASES

All shower bases come with a non-slip and pitched-to-drain floor and accept standard size drains. When designing a custom shower base, you specify the number and style of thresholds — regular 2" height, low-profile, higher or wider, or ramped. Custom options include wheelchair-accessible thresholds.

SHOWER WALL PANELS

Choose a smooth cultured marble wall panel or a variety of designer tile patterns, including subway (with faux grout lines), shiplap and interlocking tile. Custom panels can be designed in any length, depth and shape, including angled and notched. Panel thicknesses are 3/8" and 3/4", depending on style and finish.
